Potential graduates will be expected to write an essay to summarize their experience in Treatment Court and share it with their peers on graduation day. Please include the following in your essay. Remember, your testimony may help someone who is new to the program and offer valuable insight to their recovery.

1. Describe what you have learned as a participant of the Jasper County Treatment Court.
2. Describe in detail what your aftercare plan will be once you successfully graduate Treatment Court.
3. Describe the changes you have seen in yourself during your time in Treatment Court?
4. Describe the struggles you have had during your time in Treatment Court and how you have overcome those struggles.
5. What advice would you give other participants of Treatment Court that may help them with their recovery and experience in Treatment Court?
